- STRS – \$74 Billion unfunded liability. Employees, Districts, and the State will all be paying more to fix it. Districts will receive funding during the next 7 years to cover some of the costs but it will need to be negotiated at each individual District. Projected percentages of increased funding: District – 10.85%; Faculty – 2.25%; State 2.8%. See handout.
- Negotiations – <http://www.msac-fa.org/blog/> Most has been language clean-up to eliminate vague language. Still negotiating: Salary and Benefits, Professional Development monies, Sabbaticals, Adjunct Faculty Office Hours.
