Section 1: Introduction to Slavery

The map shows the United States in 1861. The North and the South fought a war. That war is called the Civil War. It was 1861-1865.

Why were they fighting? Because most of the North believed men and women of any color should be free. But the South had very large farms. They wanted people to work on their farms without money. They wanted to keep their slaves. The farm owners bought the slaves from Africa.

Section 2: Introduction to Juneteenth

In the middle of the Civil War, President Abraham Lincoln wrote a document called the "Emancipation Proclamation." That document set slaves in the South free. But the war did not end until two years later. Texas was the last state to hear about the end of the Civil War and that President Abraham Lincoln said every human should be free.

The day Texas heard about the freedom was June 19th, 1865. "Juneteenth" is short for "June 19th."

Juneteenth became a day to celebrate freedom for everyone.
