Purpose of the Task Force

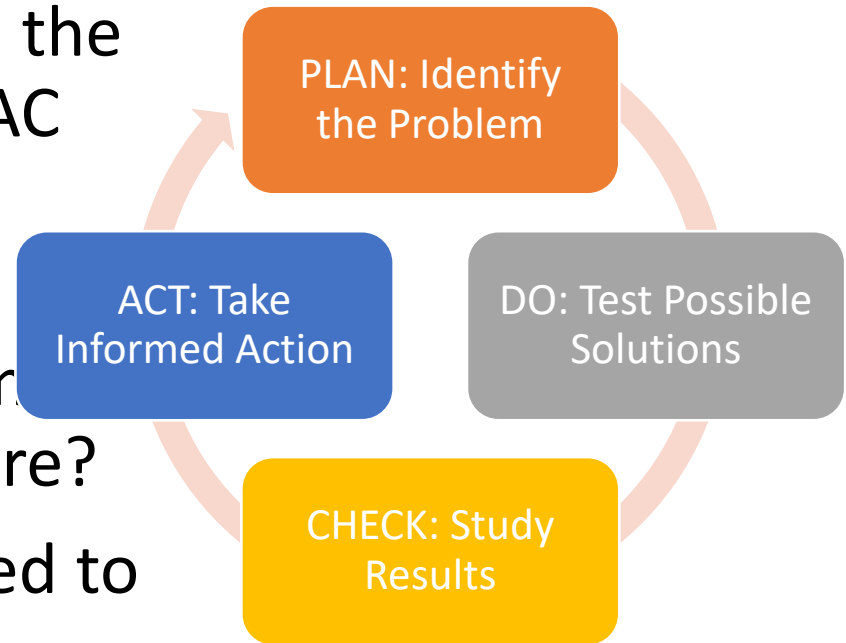

This task force will evaluate the Mt. SAC mascot (Joe Mountie) and athletic moniker (Mounties).

The task force will evaluate the strength of the two identities to determine if they appropriately represent the college for the next 75 years.

What do we need to know?

- Is the mascot, Joe Mountie, the right mascot to bring Mt. SAC into the future?
- Is the athletic moniker, Mounties, the right nickname for the college into the future?
- What process should be used to make the change?

Summary of Last Meeting in Oct.

- On reflection, Task Force does not see as much need to do additional research on Mascot/Moniker.
- After historical presentations, many felt strongly against the Mascot.
- Task Force wanted to vote on the Mascot, but give people not present a heads up by voting via email.
- Hearty debate on the Moniker and its appropriateness for the college. Task Force wants more time to think through the Moniker.
