

Mt. San Antonio College
Associate Degree Nursing Program

BASIC LIFE SUPPORT HEALTH CARE PROVIDER

You need to have a current 2-year certificate in Cardio-Pulmonary Resuscitation – BLS Health Care Provider/Professional Rescuer card. It needs to be submitted to the nursing department link **two months prior** to your semester's start date. Please note that Mt. San Antonio College will only accept BLS courses approved by the **American Heart Association**.

If you do not have a BLS Health Care Provider card, you can obtain one through any BLS course offered that is **approved by the American Heart Association**.

Mt. SAC is now offering BLS Health Care Provider courses on campus. To view scheduled classes please go to: <https://www.mtsac.edu/feeclasses/cpr-medical-programs.html>. Please be aware that courses and spaces are limited. Below is an image of the correct card to obtain.

Sample certificate/card:
