	All budget requests are reflected in your narrative			
	Check all activity categories to be funded with Perkins funds for your program			
	For each activity you are requesting Perkins funds:  A. Identify name of activity  B. Select the activity category/categories that apply to this activity  C. Select student metrics that apply to this activity  D. Select the Permissive Use(s) that apply to the activity  E. Describe the activity and provide justification of need (Limited to 1000 characters)			
Budget Detail	Submitted in Excel (original format)	Х		
	All requests are allowable under Perkins requirements (refer to details from Application Workshop 4/27/20 PowerPoint)			
	Funding requests are ranked ACROSS the budget proposal, not within each category  All funding requests are reflected in Application form			No needs to rerank has double ranking
	Funding requests for equipment, supplies and software include current vendor quotes.  Quotes include tax and shipping. Tax included even if vendor doesn't as college always pays the tax.			
	Funding requests for purchases are broken out by out by: 4000s: supplies (under \$500/item) 6000s: equipment (over \$500/item along with related components)			
	Funding requests for 4000s, 6000s, and marketing (5000s) are padded a bit to account for possible price increases
