* "Unit members may be granted salary schedule credit for completion of District-sponsored workshops. Participation in such workshops will be equated on the basis of sixteen (16) clock hours equaling one (1) semester unit of credit toward advancement on the salary schedule. The procedures and criteria for determining the eligibility of District-sponsored workshops to be accompanied by salary schedule credit and the eligibility of unit members to be granted such credit shall be developed and implemented by the Salary and Leaves Committee. Such workshops must be recommended for unit credit by Staff Development Committee and approved for credit by the Salary and Leaves Committee. Unit members desiring to receive salary credit for completion of District-sponsored workshops shall follow the established procedures for verifying satisfactory completion."
