Course: SPAN 1 - Elementary Spanish Responses: Instructor: **Esther Serrano**

### What has this professor done especially well in teaching this course?

"Clear instructions for exams and assignments." "Has overall great communication with students." "Great modules to learn and overall her skills of teaching is great" "Did everything good" "Great communication" "Is Professor is really good at time management." "She gives us our assignments ahead of time not the day that they're due". "Provided us with the right sources and material to understand the course." "This professor has excelled by integrating immersive techniques such as speaking primarily in Spanish during lessons and encouraging students to do the same." "They use a variety of multimedia resources like videos, music, and literature to make the learning experience more engaging and relatable." "Additionally, the professor incorporates cultural lessons about Spanish-speaking countries, which helps students understand the language in a broader cultural context. This approach not only improves language skills but also deepens cultural appreciation."

### Former students emails about our asynchronous course:

"Good afternoon Professor Serrano,

Thank you for reaching this course! I highly enjoyed the class and learned so much! I found your class notes to be very helpful and a great addition to the learning process. Have a great summer!

Best wishes,  
xxxxxxx"

"Thank you for a terrific semester, it was a joy to be a part of your class. Have a great summer. xxxxx"
