

April 2025

Sustainability at Mt. SAC

The three pillars of sustainability are **PEOPLE**, **PLANET**, and **PROSPERITY**.

Earth Month is Here!

Spring has sprung Mounties!

April, our beloved Earth Month is here! This month, we will take the time to honor all of nature's beauty and the ways in which we all, like the changing seasons, can turn a new leaf and embrace sustainable practices in our daily routines. This month, we will highlight Earth Day, which is April 22nd, and some of the many opportunities April holds for aspiring eco champions. We will provide an overview of the many eco events to be held in April and we hope to see you there!

For Faculty

Wayfinder Society Earth Month Classroom Challenge!

This is an exciting opportunity to take part in a challenge that promotes climate action through our greatest eco champions, our educators! This challenge is free to participate and easy to get started. You simply visit the [Wayfinder Society Webpage](#) and fill out the form with your information and instructions will be emailed directly to you. Once you complete the challenge with your students, a short reflection will be due by May 5th and you'll be entered in a raffle to win \$500 for your classroom! It's that easy!

Walnut Earth Day Block Party!

The Walnut Valley Water District is inviting you, your students, and their families to their very first Earth Day Block Party on Thursday, April 24, from 12-4 PM at Suzanne Park. This is a free event that will include a litany of activities, raffles and so much more! Join us for an educational celebration of Earth Day!

Earth Day Fair!

On April 22nd the Mt. SAC community will come together for a day filled with activities that will be both fun and educational. It will be a day of opportunities for all as we dive into what makes our planet so special and how we can all do our part to protect it and our communities. Hours will be from 11am to 5pm in front of building 410, the student center. You can look forward to over 20 booths of activities, vendors, clothing exchanges, games and more! Get ready to go green!

EARTH DAY Fair

April 22nd

20+ booths with **activities** prepared for you to learn about our planet and why it is important to protect it.

**We are not just protecting the planet,
We ARE the planet protecting itself.**

Food vendors, plant drive, clothes exchange, games and prizes, proper waste disposal and more!

**HOURS: 11 AM TO 5:00 PM
AT MIRACLE MILE - IN FRONT OF BUILDING
410 STUDENT CENTER**

Spring Semester Farmers Market!

This spring semester you can join us on the south side of building 410, every Wednesday from 9am to 2pm. There will be a multitude of options from fresh produce to ready to eat, diverse cuisines that vary from week to week. Come support the campus community and take the opportunity to shop local, sustainable options!

West LA College 2025 Summer Paid Internship Program

West LA College has an exciting internship opportunity focused on sustainability and climate action. The application is open for Summer 2025 on the [West LA College Website](#). This internship requires a weekly commitment of 24 hours per week from 6/16 through 9/7. This is a paid internship that offers applicants the opportunity to explore green careers and find their role in the climate crisis, no matter what career path they choose.

Student Sustainability Awards Contest

This is an opportunity for students to challenge themselves in developing their own solutions to the climate crisis. Students will submit their proposed solutions by May 9th. Entries will promote the pillars of sustainability which are people, planet, and prosperity. You can address issues like social equity, economic viability, and so much more.

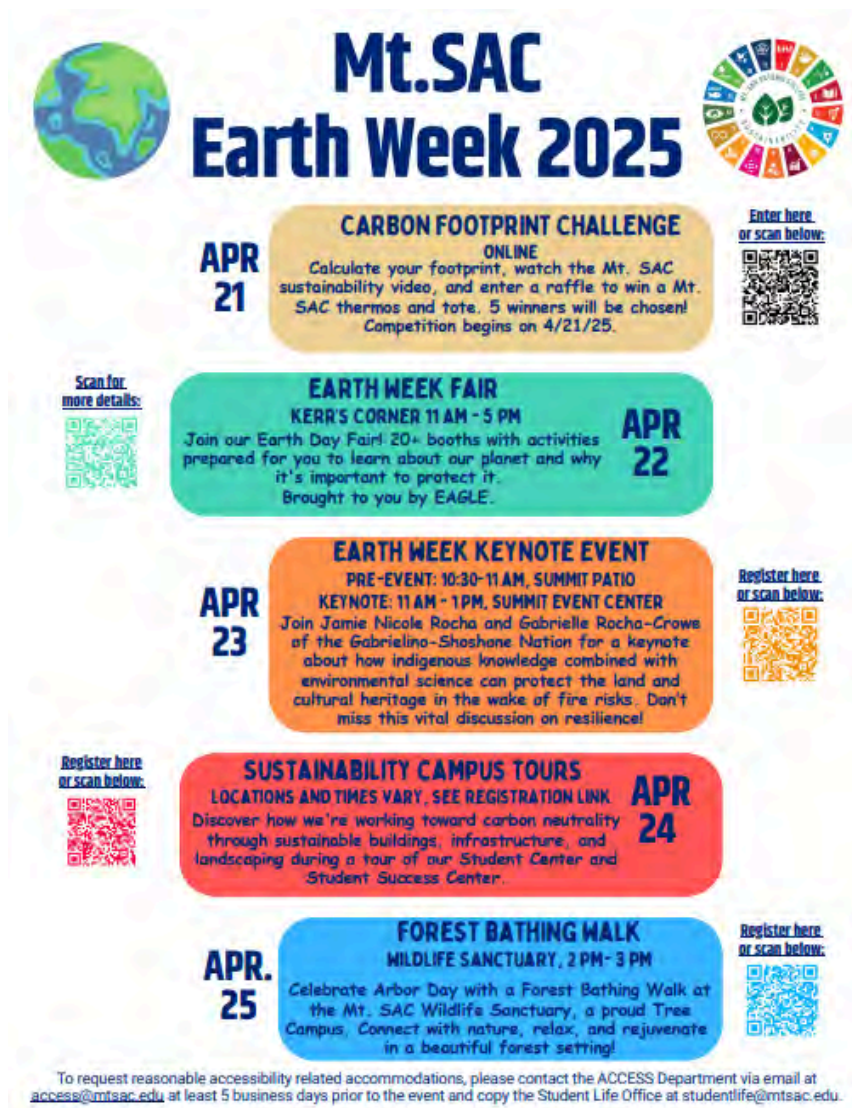

Sustainability is broad and can be applied to any discipline. The top 5 submissions will be eligible for financial awards. Please visit the [Mt. Sac Sustainability Website](#) for more information. Applications are due by May 9th.

Sustainability Spotlight
