

July 2025

Sustainability at Mt. SAC

The three pillars of sustainability are **PEOPLE**, **PLANET**, and **PROSPERITY**.

Welcome Back Mounties!

Summer session has come to an end, but we remain heated and ready to tackle this upcoming Fall semester! As we approach our beloved Fall semester we want to welcome new and returning mounties! We will highlight some of the many services and resources that our campus community has to offer. Community and sustainability go hand in hand, especially here at Mt. SAC. We will also promote some of many ways you can utilize these services and resources to live and promote sustainability both on campus and in your daily life.

For Faculty

West LA College is hosting a FREE Career Fair & Enrollment Event!

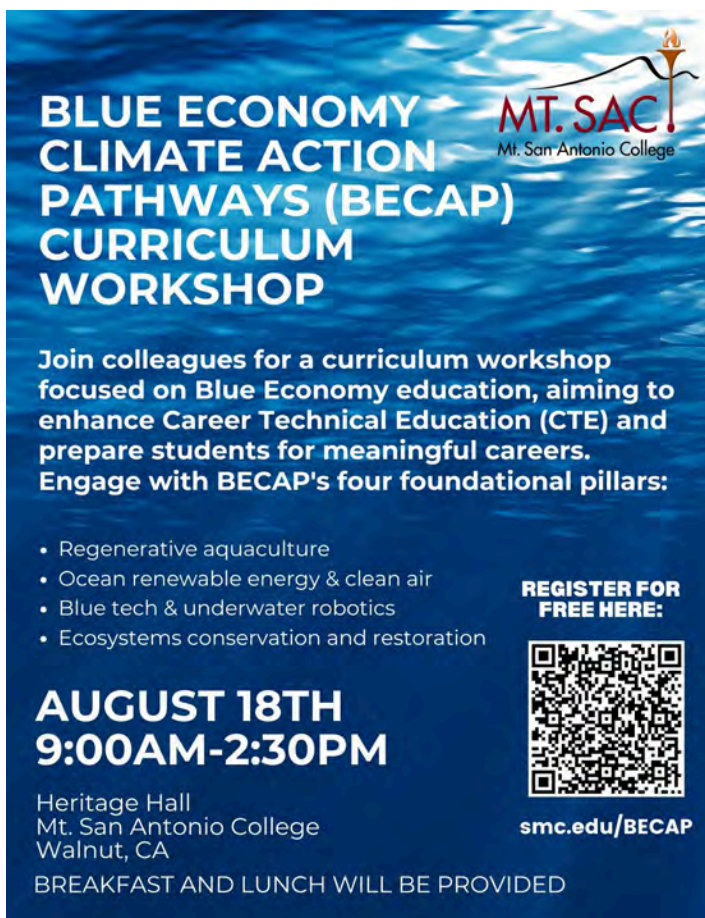

Whether you're a student looking for internships or a professional seeking a career change, this event is for everyone! This is a wonderful opportunity to network with top companies, attend informational workshops, and meet industry experts. Join us for a day of free food, family activities, giveaways, all in the name of building your future in the sustainable and green industries! Register now at the [career fair website!](#)

Blue Economy Climate Action Pathways (BECAP) Curriculum Workshop

Join us for a Blue Economy Climate Action Pathway Workshop, August 18th, 9AM - 2:30PM! Together, we will discuss industry trends and collaborate on curriculum while identifying emerging career prospects. Develop a deeper understanding of Career Technical Education and Strong Workforce. Learn how to better prepare students for meaningful careers relating to:

- 💧 Regenerative Aquaculture
- 🌴 Ocean Renewable Energy & Clean Air
- 🤖 Blue Tech and Underwater Robotics
- 🌳 Ecosystems Conservation & Restoration

Go Passes Available For Students! Decrease Your Carbon Footprint!

Mt. SAC offers a multitude of services and resources on campus that provide basic needs for its students and promote sustainable practices. You can get a free Go Pass which provides free public transportation. Public transportation combats the fossil fuel emission crisis by decreasing the amount of vehicles students use to go to and from campus.

GO

pass

How to Get Your GoPass

If you held a Class Pass last year, your pass will no longer automatically renew. You need to get a GoPass for the current semester. Follow the instructions below to get your pass re-loaded for the current semester:

STEP 1: Get a Student ID and TAP Sticker

Get your student ID and TAP Sticker at the [SacBookStore](#), the college bookstore in Building 10. They'll verify you're enrolled in at least one credit unit to qualify for this program. Already have them? Go to this next step.

STEP 2: Get Your Eligibility Code

Get your unique GoPass Eligibility Code at www.mtsac.edu/go/passcode. Click on the student tab and you'll find your code by clicking on the link at the bottom of the menu. Having trouble accessing the code? Call the Help Desk at (909) 274-4357.

STEP 3: Activate Your GoPass Each Semester

Your pass will not work until you activate it with your eligibility code by visiting tapgoes.net/go/pass or calling 1-866-TAP TO GO (827-8862). Use it within 30 days or it will be deactivated. Renew your pass each Fall and Spring semester. Fall passes work through the Winter and Spring passes work through the Summer.

Technology Loans for MT.SAC students

Students, enrolled in at least one course, are eligible to borrow a laptop and a hotspot for as long as they continue to enroll in consecutive terms. All laptops have access to free Microsoft programs.

[Submit an online request](#) to borrow a laptop and/or hotspot. For further assistance email laptoploans@mtsac.edu.

Mountie Fresh Food Pantry

MT.SAC is committed to providing supplemental food resources to enrolled Mt. SAC students. A photo ID is required, with a Student ID preferred. Please have your A number ready for check-in. If you do not have an ID, please visit the bookstore for assistance. Next dates held on August 5th and 6th, stay tuned for the Fall 2025 schedule!

- Please bring your own boxes and bags, as these will NOT be provided.
- Only the student may pick up items and enter the food pantry.
- Students may visit **ONCE** per week

Sustainability Spotlight

Climate Action Corps Volunteer and Fellowship Opportunities!

Are you ready to take climate action? The 2025–26 California Climate Action Corps provides several volunteer opportunities and events throughout California. You can find their upcoming events on their official [website](#).

Looking to paid while exploring a career in climate action? Their [Fellowship programs](#) are currently accepting applications with several positions available on their website!

Find your place in the fight for our planet!

Sustainability Living

Sustainable Campus Living

How can you promote sustainability on campus? Our community offers several services to its students that uphold the values of people, planet and prosperity. You can join us in our efforts to reduce our ecological footprints and support a green campus!

- Carpool to and from campus
- Public Transportation - we offer free [Go passes](#) for students!
- Purchase used, recycled materials and books - several options available at our [campus bookstore](#). You can even sell them back to us when you are finished!
- Rent laptops and hotspots from us! Visit the [Mt. SAC website](#) for more information on technology loans!
- Properly dispose of waste using our trash and recycling bins found all over campus!
