

Dear Student,

We hope this message finds you well. We'd like to inform you that after the Fall 2024 semester, you have progressed to **CONTINUED PROBATION** in one or both of the following areas:

**Continued Academic Probation:** Your Mt. SAC cumulative grade point average (GPA) is still below 2.00; and/or

**Continued Progress Probation:** You still have 50% or more units of **W**, **I**, and/or **NP/NPV**. Excused Withdrawals (**EW**) do not count toward probation.

**What does it mean to be on Continued Probation? How can we help?**

- Your registration dates for **Summer/Fall 2025** will be delayed until you complete the **P2 Success Workshop** (in-person or zoom) \*.
  - This workshop will help you understand how to return to Good Standing, how to appeal the loss of your fee waiver (CA College Promise Grant) and the potential for being dismissed after the Spring 2025 semester.
  - Workshop registration information can be found in the **Probation Card located on the Student page of your portal account**.
  - Complete the workshop before Summer 2025 registration begins in March 2025 and your date will not be negatively affected.
- You are limited to enrolling *4 units* for the Summer 2025 session and *12 units* for the Fall 2025 semester.
  - If you are an International Student, you may NOT take fewer than 12 units per semester.
  - If you are part of a priority group such as Athletics, EOPS and Veterans, you will no longer receive priority registration until you return to Good Standing and meet all other priority registration requirements. Your registration date will be determined by the number of Mt. SAC cumulative units earned.
- Counseling can help you make a success plan! Schedule a counseling appointment by visiting the [Counseling](#) page or calling the Counseling Department at (909) 274-4380.
- If you still have questions about your standing, email your Probation Success Team at [probation@mtsac.edu](mailto:probation@mtsac.edu).

**PLEASE DO NOT CONTACT THE OFFICE OF ADMISSIONS AND RECORDS FOR ASSISTANCE.**

\*If you need workshop accommodations, please contact [ACCESS](#)-Accessibility Resource Centers for Students at (909)274-4290.

Sincerely,  
Dr. George Bradshaw  
Dean of Enrollment Management  
Office of Admissions and Records
