Re: NOTICE OF COMMENCEMENT OF ACTION—Public Resources Code  
§ 21167.5  
*[City of Walnut v. Mount San Antonio Community College District, et al.]*

Dear Dr. Scroggins and Ms Bader:

PLEASE TAKE NOTICE that the City of Walnut intends to file a Petition for Writ of Mandate under the provisions of the California Environmental Quality Act (CEQA) against Mount San Antonio Community College District (District) and its Board of Trustees (collectively, "Mt. SAC") in connection with its award on July 12, 2017 of Athletics Complex East Project – Phase 2 contracts and its adoption on August 9, 2017 of Resolution No. 17-01 certifying the Mt. San Antonio College 2017 Physical Education Project (Phase 1, 2), including approval of the Subsequent Project Final EIR (SCH 2002041161), adoption of a Statement of Overriding Considerations, and adoption of a Mitigation Monitoring Program (collectively, the "Project").

The action will allege that Mt. SAC failed to comply with the California Environmental Quality Act (Public Resources Code § 21000 et seq.), the State Guidelines for Implementing CEQA (Title 14, California Code of Regulations, § 15000 et seq.), and other laws and regulations applicable to the Project.

This notice is given pursuant to Public Resources Code section 21167.5.

Very truly yours,

LEIBOLD MCCLENDON & MANN, P.C.
