

Updates from the Campaign (and Happy Chinese New Year!)

February 9, 2016

Dear Bill,

Our Walnut City Council campaign is now in full swing! Many exciting events have happened over the past few weeks, and our momentum has been on the upswing. At this time, I want to update you on our progress:

In this newsletter, you will see my interview with Brad Pomerance from Charter California Edition about my candidacy, a recap of the successful campaign rally, yard sign and precinct-walk sign up sheets, and much more!

Lastly, the Chinese New Year holiday is happening this week (February 8th), and I want to wish you and your family a Happy Chinese New Year! 祝您们合家春节快乐!

As always, if you have any questions, suggestions, or concerns, please do not hesitate to email me!

All the best,

Andrew

Want A Yard Sign for Your Lawn? Have Some Spare Time to Help Walk Precincts?

Yard signs have recently arrived, and they look awesome! If you are interested in staking a yard sign on your property, please fill out the form in the link below, and we will get back to you as soon as possible!

Precinct walking will be a key component of this campaign because it will allow us to meet with residents and hear their concerns. And by precinct walking, residents will know who I am, why I am running for City Council, and where I stand on the issues.

The difference between us winning and losing will come down to the number of doors that we knock on, the number of people that we talk to, and the number of people that come out to the polls on April 12th.

If you can spare a few hours to walk and talk to fellow Walnut residents, please fill out the form in the link below, and we will be in touch with you regarding the next steps!
