

COMMISSION ON ACCREDITATION FOR RESPIRATORY CARE

April 11, 2016

Kelly Coreas, MS, RRT-NPS, Program Director
Respiratory Care Program
Mt. San Antonio College
1100 N Grand Ave
Walnut, CA 91789

RE: Program Number 200022

Dear Ms. Coreas:

It is our pleasure to notify you that your program is among a select group of programs that will be recognized by the Commission on Accreditation for Respiratory Care (CoARC) to receive the *Distinguished RRT Credentialing Success Award*. This award is presented as part of the CoARC's continued efforts to value the RRT credential as a standard of professional achievement. From a program effectiveness perspective, the CoARC views the RRT credential as a measure of a program's success in inspiring its graduates to achieve their highest educational and professional aspirations.

In selecting programs for this recognition, the CoARC Board used objective criteria based on key accreditation metrics documented in the 2015 Annual Report of Current Status (RCS). These programs were required to: (1) have three or more years of outcomes data; (2) hold accreditation without a progress report; (3) document RRT credentialing success of 90% or above, and (4) meet or exceed established CoARC thresholds for CRT credentialing success, attrition and positive (job) placement. The CoARC extends its sincere congratulations to you, your faculty, students, and graduates for meeting these rigorous criteria.

Keep in mind that the conferral of this achievement award does not imply the CoARC's recommendation, endorsement, or ranking of your program in relation to other CoARC-accredited programs. Publications or announcements of this award shall not imply such recommendation, endorsement, or ranking. The primary responsibility of CoARC is to accredit programs based on their compliance with established accreditation standards.

Your program will receive a certificate of recognition during the CoARC reception on Sunday, June 26, 2016 from 4:30 pm – 6:00 pm at the Sawgrass Marriott Golf Resort & Spa at Ponte Vedra Beach, FL, the site of the AARC's Summer Forum. We hope you or a representative from your program can be present at the CoARC reception on June 26th to receive this recognition. An invitation will be forthcoming allowing for two attendees from your program, **so please be sure to RSVP for this event.**

Thank you for your continued commitment to excellence in respiratory care education.

Sincerely,

Brad Leidich, MEd, RRT, FAARC
President

Christine Hamilton, DHSc, RRT
Chair, Public Relations Committee

Cc: Jemma Blake-Judd, MS, Dean (emailed)
