Hi Art, Scott, and Paula

The University of California (UC) and the California State University (CSU) finished their review of courses submitted for GE Breadth and IGETC.

The following course **was approved** for CSU General Education inclusion:

Course Prefix	Course Title	Approved Area	Effective Date
MATH 110S	Integrated Statistics	B4 Mathematics/Quantitative Reasoning	Fall 2014

The following course **was approved** for IGETC inclusion:

Course Prefix	Course Title	Approved Area	Effective Date
MATH 110S	Integrated Statistics	2 Mathematical Concepts and Quantitative Reasoning	Fall 2014

The reviewers actually backdated the approval date to Fall 2014. Please let me know if you have any questions.

Thank you,
