

Campus Threat Television Coverage Log

March 25, 2016

By Sue Hothi

11:50AM – ABC News 7 – live report was from Walnut High School detailing that a note had been found with a threat to the high school and local community college Mt. SAC. The school was on lock down and Mt. SAC had issued a notification for immediate evacuation.

12:02PM – NBC News – the anchor repeated the information that was sent out to the campus.

12:11PM – NBC News – live footage of the campus showing students walking in front of building 61 leaving the campus.

12:21PM – NBC News – anchors spoke by phone with Jill.

1:00PM – NBC News – video footage and live report from campus.

1:29PM – KTLA News – reported that campus was closed till at least 4:30PM.

4:04PM – ABC News – students were interviewed – one said they had received the alert and were told by faculty to evacuate and everyone did so in an orderly fashion. A female student reported that she was trying to get to her 3-month old baby in the CDC and was stopped. She was in tears. Jill was also interviewed live and reported that the campus was given the all clear and classes would resume at 4:30.

5:09PM – ABC News 7 – Mt. SAC classes were back in session.
