PCIFA REGIONAL SAFECON:

San Diego Christian College hosted the annual Region II SAFECON at Gillespie Airport in San Diego from November 11-15, 2014.

Sixty-six students from six colleges competed in five flight events and five academic events during the airmeet. The United States Air Force Academy also competed but were not scored since they are located in Region I territory.

SAFECON is the Safety and Flight Evaluation Conference (aviation safety conference and airmeet). PCIFA (Pacific Coast Intercollegiate Flying Association) sponsors the Region II SAFECON at which the top three schools receive an invitation to the National SAFECON. NIFA (National Intercollegiate Flying Association) sponsors the National SAFECON each May at which the top thirty colleges and universities from the ten regions compete for a national championship.
