6. Next, let me share with you the possible language for a ballot measure that may appear on the ballot in an upcoming election. It reads as follows:

"THE COMMUNITY COLLEGE CLASSROOM REPAIR, CONSTRUCTION AND PUBLIC SAFETY MEASURE. To acquire/construct/equip new classrooms, buildings and sites; replace 75 year-old labs; relieve overcrowding; build a new firefighter training academy; upgrade law enforcement training classrooms/equipment; provide technology for career/vocational training programs; meet earthquake, handicap accessibility safety standards; upgrade libraries/electrical wiring; shall Mt. San Antonio Community College District issue bonds of 340 million dollars at legal rates, with an independent citizens oversight committee, annual audits and no money for administrators' salaries."

If the vote on this measure were held today, would you vote yes in favor of it or no to oppose it? **(IF YES/NO ASK):** Is that definitely **YES/NO** or just probably **YES/NO**? **(IF UNDECIDED, ASK:)** "Do you lean towards voting yes or no?"
