If anyone has been collecting signatures on the petition form please let me know we already have 500 signatures from students, faculty and the community which we will be presenting at #MtSac board meeting on may 27th please let me or any Bamn organizer know if you have collected any signatures or are interested in collecting. Lets try to collect as much as we can before the 27th Thank you. #JUSTICEFORAAREFAH

**Kazmi Syedah** Omar Elattar, Aarefah also has a legal team that is looking into the case and how it relates to discrimination against Muslim women. Also, BAMN is a national civil rights organization that is closely working with her.
