

2017 Final Scorecard
03/30/2017

The [2017 Scorecard](#) is now available. The Data Definitions, Peer Grouping, FAQs, file layout and other resources are on the [Scorecard webpage](#).

It is the responsibility of the colleges/districts to present the 2017 Scorecard to their local Board of Trustees (Education Code, Section 84754.5(d)) in the coming year. Submit your board minutes (or a link to the meeting minutes) documenting this interaction to scorecard@cccco.edu by March 15, 2018.

The [Scorecard Guidelines for Interaction with the Board of Trustees](#) are available.

Scorecard questions should be directed to scorecard@cccco.edu

We will describe trends of the metrics, changes to the Scorecard, college responsibilities and available resources in a [CCC Confer](#) webinar on April 13 at 10:00am (phone: 1-888-886-3951 and code: 512312).
