

PRESIDENTS *for* LATINO STUDENT SUCCESS

[A NEW LEVEL OF LEADERSHIP]

Institutional leaders committed to advancing student success, with the acumen to reach and serve Latino students, are invited to make common cause with *Excelencia* in Education and leaders across the country.

BACKGROUND: *Excelencia* in Education is a national, nonprofit organization dedicated to accelerating Latino student success in higher education. **Presidents for Latino Student Success** is a network of presidents in postsecondary education collaborating with *Excelencia* in Education and who have committed to a collective goal of making our country stronger with the talents, skills, and contributions of Latino college graduates. As you consider this opportunity know you will be joining other leaders who have already committed to accelerating Latino student success.

This leadership opportunity provides college and university presidents and chancellors with the following opportunities:

- Name three affiliates from your institution (with reach and expertise in academic affairs, student affairs and institutional research) to receive regular notices and invitations to exclusive E-Action network events and capacity building opportunities
- Network with other presidents on the condition of Latino student success nationally, across states, and at your institution
- Use of the Accelerating Latino Student Success (ALASS) Inquiry Model with support from *Excelencia* staff and exchanges with participating institutions
- Leverage *Excelencia* in Education's platform to increase attention on effective policies and practices for Latino student success
- Access to public communications with website links between *Excelencia* and your institution

ANNUAL ENROLLMENT IS \$2,000

For more information please contact:

Sarita E. Brown, President, *Excelencia* in Education, sbrown@EdExcelencia.org
Consuelo A. Grier, Director of Constituency Engagement, cgrier@EdExcelencia.org,
Or call 202-785-7350, ext. 1108

Excelencia in Education accelerates Latino student success in higher education by promoting Latino student achievement, conducting analysis to inform educational policies, and advancing institutional practices while collaborating with those committed and ready to meet the mission. Launched in 2004 in the nation's capital, *Excelencia* is building a network of results-oriented educators and policymakers to address the US economy's need for a highly educated workforce and engaged civic leadership.
