Current Enrollment Process

Process (Prior to Feb. 1)

1. Students are required to have international student insurance
2. Students log into Student Insurance portal and purchase insurance
3. Students that fail to purchase insurance by the enrollment deadline have a “Hold” placed on their account and are unable to enroll in Student Insurance.
4. Students may waive out of purchasing Student Insurance by providing proof of health insurance through a different carrier. No formal waiver form, process, or way to insure that coverage is valid. College is at risk.
5. Hold is removed if they provide proof of insurance. Lapse in coverage.
