

## I Can Afford College banner outside Governor's office 3/19/17

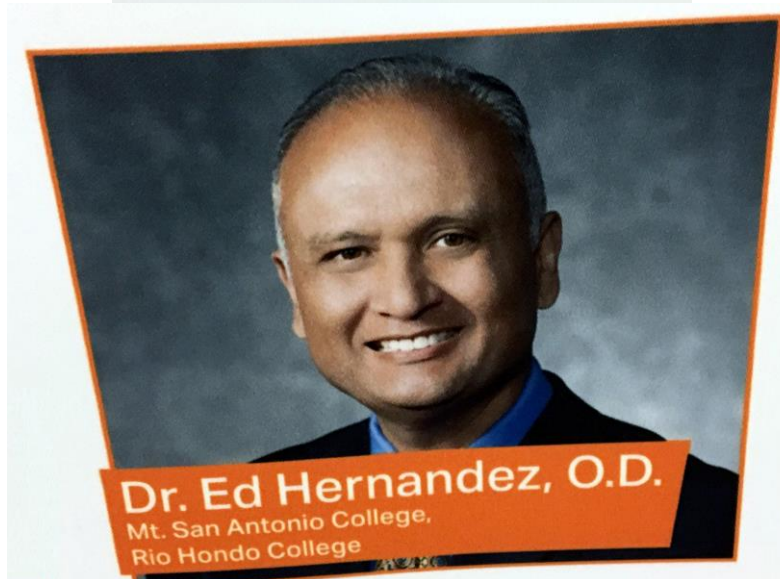

Attached are some of the pictures I took Wednesday in the hallway outside the Governor's office of the "ICanAffordCollege" banners celebrating the State's Assembly Members and Senators who have attended or served on the board of one of California's Community Colleges. I count 41 of 80 Assembly Members and 21 of 40 Senators. Freddie Rodriguez, Ed Hernandez and Connie Leyva list Mt. SAC as their college.
