Specialized Programs

- Strategic Student Success Initiative to boost success rates and to provide each student a road map to completion.
- Over 200 degree and certificate programs offered (onsite and online), including career/technical programs and opportunities. Most credit courses are fully transferrable to universities.
- Honors Program - ranked as California's largest among community colleges.
- Full array of student success services (tutorial, counseling, learning disabilities support, and technological resources) in addition to a full-service library.
- Effective "learning communities" to underprepared and basic skills students, which have resulted in impressive student retention and completion rates.
- Specialized support programs to boost success rates and enrich the college experience for Asian-American, Pacific Islander, and African-American students, re-entry students, Upward Bound students, economically disadvantaged students, CalWORKS/CARE students, disabled students, and military veterans.
- In 2015, Mt. SAC's Nursing Program was ranked 10th among all California community college nursing programs in a survey of the best nursing schools in the Western United States by NurseJournal.org.
- Offers the only FAA-approved Air Traffic Controller Program in the West.
- Mt. SAC partners with Southern Illinois University in offering a Bachelor of Aviation Management degree, with coursework offered onsite at Mt. SAC.
- Mt. Sac was one of only 30 community colleges nationwide to be selected to participate in the American Association of Community Colleges (AACC) Pathways Project, funded by the Bill & Melinda Gates Foundation. This project focuses on building the capacity of community colleges to design and implement structured academic career pathways at scale.
- The Air Conditioning and Refrigeration A.S. degree is the only Partnership for Air Conditioning Heating, Refrigeration Accreditation certified program in California.
- Health careers students won ten medals – seven gold and three silver – at the Health Occupation Students of America national competition. More than 6,400 secondary and postsecondary students competed in 56 different health-related events at the national leadership event held in June 22-26 in Nashville, Tennessee.
- The Forensics Team took second place overall at the 2016 Phi Rho Pi National Tournament in April. Students won five gold medals (including best overall speaker), seven silver medals, and 12 bronze medals. More than 500 students from 64 colleges throughout the nation competed.
- The Turf Team 208 finished first place at the 12th annual Student Challenge that took place at the Sports Turf Management Conference and Exhibition. This is their fifth national championship. Turf Team 202 finished third place.

Median Home Prices

Market Data: Home Sale Price

- AV growth is significantly impacted by the resale price of homes within the historic District. Sales data show that resale values are steadily increasing in District cities.
- Another indicative data point for AV growth is the relationship between resale values and taxable values.
- The difference between resale values and taxable values shows significant AV growth potential in the District's housing stock as homes are sold.
