NOTES:

General: Metered parking stalls on Temple Avenue are not counted in campus total as they are on a city-owned street.

General: RV stalls are not counted.

General: If a lot had signage identifying its name, the name is used here. Otherwise lot names/numbers were assigned in order to identify each lot individually - the lot signage does not necessarily use these names/numbers.

<sup>1</sup> = Electric vehicles charging stalls

<sup>2</sup> = Lot H Student currently under thermal energy storage (TES) construction, but will be returned to pre-construction striping layout

<sup>3</sup> = Lot W - Building 44 currently under construction
