Subject: Proterra Recruitment and Training Assistance Efforts with Mt SAC and LA  
County

Hi Bill-

I'd like to introduce you to the team at our County's Workforce Development department – Rafael Carbajal, Jay De La Rosa, and Cesar Cortes. Our team has already been working with Proterra on a few recruitment fairs and has had early discussions regarding ongoing training needs and curriculum development strategies. I suggest that we all connect first so that we coordinate on next steps to work with Proterra together.

Rafael and your team, do you have suggestions on how to bring us up to speed and offer next steps?

Subject: Curriculum

Hi Dr. Bill,

I would like to connect with you as our office is looking to implement curriculum for Proterra, a leader in the design and manufacture of zero-emission electric buses. Can we set some time to discuss? I would like to connect you with our office Economic Development policy deputy that can help provide you with more information as well.
