RE: Fiscal Year 2017 Child Care Access Means Parents in School (CCAMPIS) Program Grant
Competition: Letter to Successful Applicants with 2018 Start Date

Dear Ms. Addison:

Congratulations! It is my pleasure to inform you that the U.S. Department of Education (Department) has approved the Child Care Access Means Parents in School (CCAMPIS) Program grant application from your institution for funding for four years. Please review the grant award notification (GAN) document and attachments carefully (previously sent electronically) for your fiscal year (FY) 2017 non-competing continuation awards, which reflects the amount for the last year of your current grant, and notify the appropriate officials at your institution. The Program Specialist assigned to your grant and his/her telephone number can be found in Block #3.

The first year of funding under the FY 2017 competition will commence on October 1, 2018 and the award is anticipated to continue for four years. The new grant will be issued contingent upon your demonstrating that the project has made substantial progress in achieving its approved goals and objectives during the last year of the grant cycle of the currently funded application.

We have also attached a set of the non-federal reviewers' evaluations of your FY 2017 CCAMPIS Program grant application.

In regard to your budget for the upcoming year, you are required to submit a revised budget. The budget must be submitted to your program specialist by October 31, 2017. This budget should consist of two parts: (1) a budget summary page and (2) a detailed itemized budget including narrative. Again, congratulations on your success in the FY 2017 CCAMPIS Program competition!

Sincerely,

Linda Byrd-Johnson, Ph.D.
