

What's Next with the Educational and Facilities Master Plan?

Greetings,

For more than a year we have been working on the Educational and Facilities Master Plan (EFMP). Your feedback throughout this process has been very helpful to us and we look forward to your comments on the remaining chapters. In order to maintain our timetable to report to the Board of Trustees, we need to maintain a well-defined schedule.

Before you leave for Winter Break, we wanted to share the schedule for review and completion of the EFMP.

The Introduction and Chapters 7, 8, and 9 are currently under campus review and comments are due no later than Wednesday, January 3, 2018.

An overview of the EFMP will be presented to the Board of Trustees at the Saturday, February 3, 2018 Special Board Meeting.

A DRAFT version of the full EFMP document, including the final three chapters focused on recommendations, will be made available for campus review on Monday, February 19, 2018 and comments will be due no later than Tuesday, March 13, 2018.

All faculty and staff are invited to attend a Flex Day Breakout Session entitled "Getting to Know the Mt. SAC 2018 Educational and Facilities Master Plan (EFMP)" on Friday, February 23, 2018. [Click here to register to attend](#) or register directly through the POD webpage.

A Student Public Forum will be held on Wednesday, March 14, 2018.

The Board of Trustees will discuss their first read of the EFMP document at the Wednesday, March 14, 2018 Board Meeting.

It is anticipated that the Board of Trustees will render final approval of the EFMP at the Wednesday, April 11, 2018 Board Meeting.

If you have questions regarding the overall schedule or EFMP document, please contact Mika Klein, Sr. Facilities Planner, at x5720 or mikaela.klein@mtsac.edu.
