Students and Programs

Many different types of students are enrolled in adult education programs for different goals. You may want to compare your students to the diversity and needs of your community to ensure to tailor your programs and services.

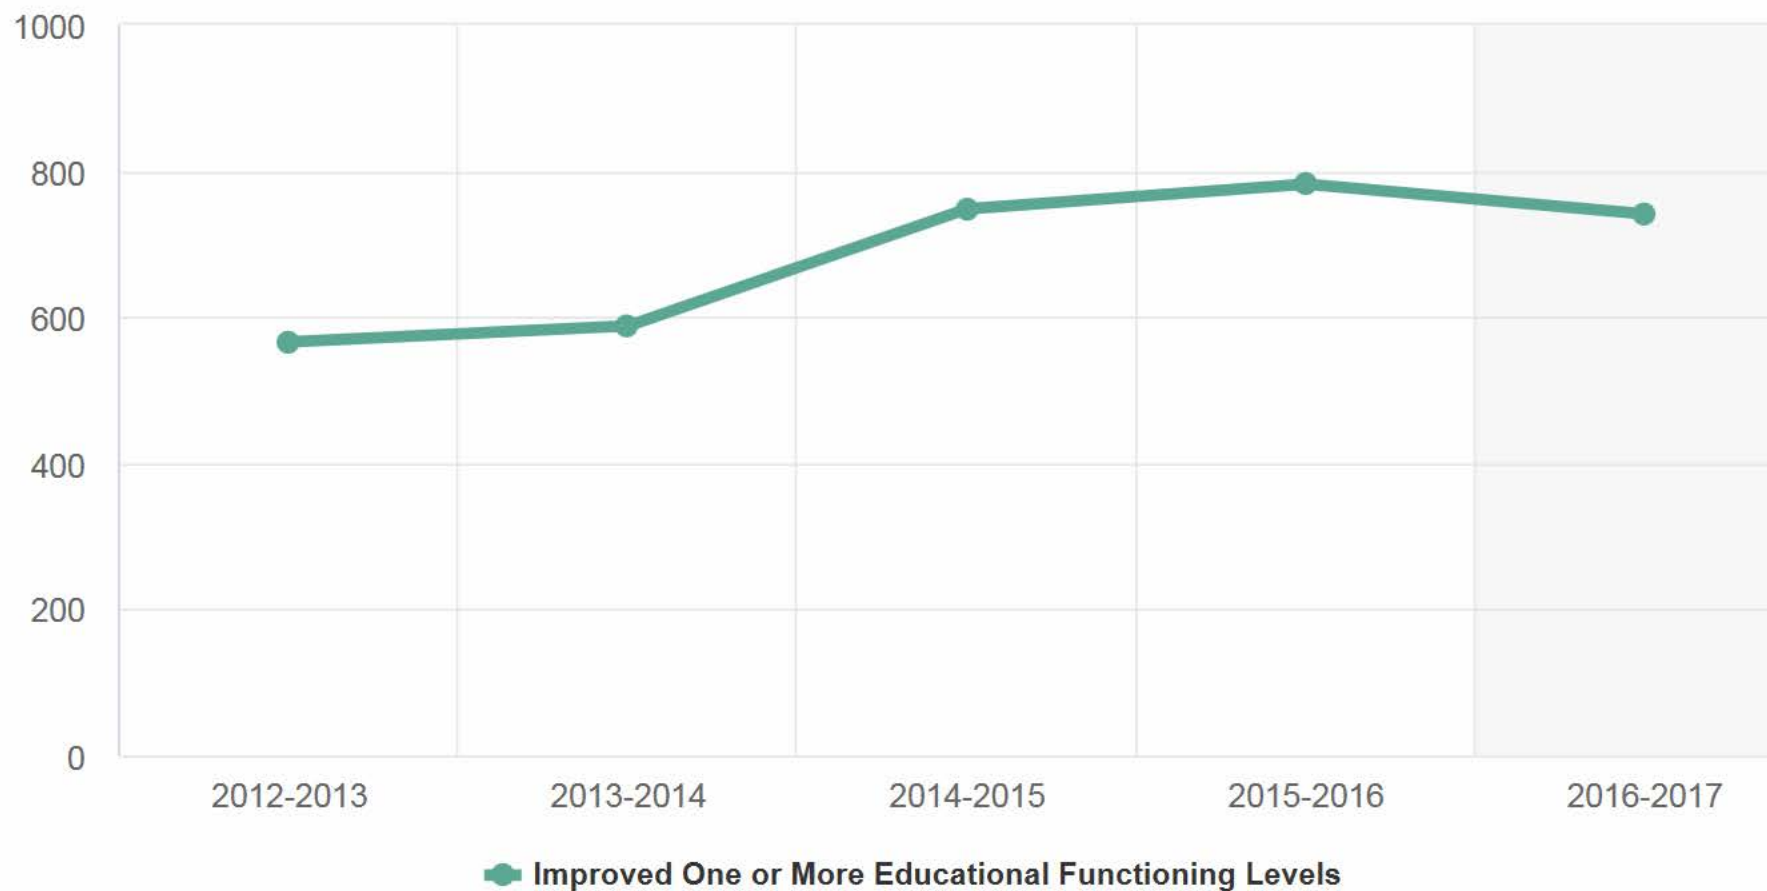

| | |
|---|-------|
| Count of Participants in English as a Second Language | 4,117 |
| Count of Participants in Adult Secondary Education | 1,970 |
| Count of Participants in Career and Technical Education | 2,579 |
| Participants in Programs for Adults with Disabilities | 617 |
| Adults with Disabilities Participating in ESL, ABE, ASE, or CTE | 319 |
| Workforce Entry and Re-Entry for Specific Populations | 2,125 |

Progress

Are students increasing their skills and progressing in their education?

12% of 6,072 students improved one or more educational functioning levels in 2016-2017.

Success

Are your students completing their diploma or college awards? How can you increase the number of students completing postsecondary awards?
