Concept 03: Make a Big Leap

Pros:

- **N-S pedestrian + bike mall** (*w/o transit, extend across SC Dr*)
- **One-way campus shuttle bus loop**
- **University Drive extended to South Campus Drive**
- **New Arena-Fieldhouse development in Innovation Village**
potential to be a 'Visitors/Alumni Center, street front retail/food/entertainment extends Brew Works concept to create an active 'town-gown' edge
- **Campus Health + Well-being Center on the central mall**
(some concern about distance from the academic core)

Cons:

- **Child Care Center location** - *parents still have to look for parking after drop-off.*
- **Transit hub located at Temple and S. Campus** - *needs a pedestrian bridge for safer access to the campus and surrounding housing, etc.*

Overall this concept seems to be more forward looking, connecting to the south campus and creating a new major front-door-gateway at Valley and Temple.

Concept Synthesis: Big Leap+ Keep Getting Better
