

California State University Graduation Rates

Since launching a new initiative three years ago, CSU has raised graduation rates to record levels. But it still has a long way to go reach its 2025 targets.

| Year of Entry | Four-year graduation rate for first-time freshmen | Six-year graduation rate for first-time freshmen | Two-year graduation rate for transfers | Four-year graduation rate for transfers |
|---------------|---|--|--|---|
| 2015 | 19.2 | 57.0 | 30.5 | 72.9 |
| 2018 | 25.4 | 61.1 | 37.6 | 77.0 |
| 2025 goal | 40 | 70 | 45 | 85 |
