

	President Cabinet Quarterly Emergency Response Updates June 25, 2019	
2018 Fall and 2019 Spring Building Evacuation drill After Action Update	Detail	Action
Current Emergency Alert System – not adequate – blackboard connect is restrictive and does not feed across the entire campus	Committee formed to review ER systems and determined “RAVE” system – would meet the campuses needs Alertis will also be moving forward for all buildings	Currently in phase I of the implementation process for Rave, goal is to have the program in place by fall session In progress
Communication issue on how to building status to the incident commander(IC) from the Building Marshals and Managers and then back to the building marshals/managers from the IC.	Standard language established to report to IC and what will be communicated in return from the IC to the building marshals/managers	Update all evacuation materials, including building evacuation plans, and the building evacuation training with the established standard language
Emergency radio range is very minimal	Lost communication from the field to the IC post – need to determine <ul style="list-style-type: none"> • radio channel availability • range of radios • What type of radio or recycle current radios from campus safety 	Meeting scheduled for July 9 to determine current radios available on campus
Assembly area designation	Determined a secondary location is necessary - Update evacuation maps showing – main assembly area and marking parking lot areas as a secondary assembly area –	To be completed by September 1
2019 Fall Building Evacuation Drill		Scheduled for October 10, 2019
Emergency Operations Plan (Compliance)	Phase 1 training complete – included NIMS, SEMS, ICS training completed to the ERT team, critical, general and Board of trustees.	Phase II of the EOP training will start in September through the month of November for the ICS 300 and 400 –

		ERT team, critical and general staff
CDC Reunite Plan	Plan to assist parents in understanding the process to reunite with their children in an emergency situation	Draft of plan has been completed with CDC and ER manager. Final to be complete by September 15.
Emergency Preparedness Month and Fair	Committee met on June 12 to start prepping for activity – next meeting will be on Next meeting July 15.	October 8, 2019 from 10:00 am to 1:00 pm
Disaster Prep Week	<p>Trainings and activities will be held on campus to prep staff and students in an emergency</p> <p>Training suggestions:</p> <ul style="list-style-type: none"> • CPR • First Aid • Fire Extinguisher training • Disaster Service Work training • NIMS AND SEMS training modules • Search and Rescue • Traffic Control • Lunch & Learn “Bring your preparedness bag” • Stop the Bleed • Sidewalk CPR 	<p>We will be finalizing activities and vendors by September 1.</p> <p>On the Agenda for the July 15 meeting</p>
Active Shooter training – requested for Student Services – just for student service staff.	Scheduled for August 20 th – 4 hour training session with 3 active logistic modules	Future active shooter trainings on campus will be scheduled on periods between school sessions.
