

## **National Scholar Athlete of the Year Announcement**

April 23, 2019

We received some fantastic news yesterday. Our men's swimmer, Jason Harary, was selected as the National Two-Year College Scholar Athlete of the Year! He'll be recognized at the NATYCAA Awards Luncheon in Orlando this June, during the NACDA Convention.

Jason is a 9 time event All-American, a state and conference champion and a Business Major with a 3.82 GPA. He's on pace to become a multi-year, multi-event All American and already holds records in the pool, one recently broken, that stood for 19 years!

An official announcement will be forthcoming on Monday. I wanted to pass on this amazing news to you all. We'll contact Laura regarding an announcement for perhaps Board recognition next month.
