**Summary:** Current law provides a separate formula for the allocation of apportionments of state funds to community colleges, which uses the numbers of full-time equivalent students as its basis, for use for apportionments for noncredit instruction and instruction in career development and college preparation. This bill would provide that instruction by community college districts under instructional service agreements with public safety agencies, as defined, would be funded under the apportionment formula used for instruction in career development and college preparation. The bill would also make various nonsubstantive changes.
