

# Guided Pathways: “Close to Completion”

New Guided Pathways effort – focusing not just on “onboarding” but crossing the finish line as well

To be implemented Spring 2019

Identification of students close to completing associate degree and or transfer goals

Using caseload approach, pair para-professional with counselor to contact and follow up with students, provide counseling and educational plan monitoring

# “The Count”

5, 204 students who enrolled in 6 or more units in Fall 2018 and had completed at least 45 degree applicable units as of Summer 2018:

- 2,736 (52.5%) have completed both college level English and math but yet to finish any degree or certificate
- 3,502 (67%) have received aid—either Pell or CalGrant or Promise Grant; 3,664 filed a FAFSA but only 1,674 had received Pell
