The webinar will be in English. We will translate key information from the panel in various languages and share it with the community.

The webinar will be a panel that will consist of an attorney, psychologist, non-DACA and DACA recipient, an entrepreneur, and an activist.

Note: The webinar will be 2-days after the Supreme Court makes a decision. Potential dates for the webinar are Wednesday and Saturday. **You must RSVP** and we will send you a link within 24 hours before the webinar. We will have more upcoming webinars with updates, information, resources, and other important related topics.
