

LAOCRC Los Angeles Regional Office Closure

Monday, June 8, 2020

Greetings LAOCRC Colleagues, after much consideration and consultation with the LAOCRC fiscal agent and Governance Council Chair, the LAOCRC LA regional office will be closing June 30, 2020. The LA Area Chamber of Commerce continues to be a strong and important partner in our ecosystem and Maria Salinas, President/CEO, and the LAOCRC will keep the lines of communication open for opportunities in which to continue to collaborate. In the face of the budget crisis and proposed cuts to Strong Workforce investments, keeping this location open is not justifiable or prudent, and the LA staff will office at the RSCCD location with all flexibility needed to serve the LA region.

Please know that our support to the LA region is a priority and will continue to be a priority.

Thank you for your understanding.
Alex
