

## EAB Navigate Campaign Alert

Apr 24, 2020,

The email was sent today to 1,025 students! EAB and Francisco's team did a great Job! Francisco, Lina, Stacy, Jaime, Caron, and Kaylynn. Also, Monica and Evelyn from IT and Meghan and her team stepped up big to make this happen. Hopefully, I didn't miss anyone.  
Great job everyone! Hopefully, this work will lead to an Early Alert System that will benefit our students in the future!

The update below from Francisco!

I want to provide an update regarding the EAB/Navigate – Campaign effort. The Completion Center team was able to send an email to all students who received “alerts” designated by faculty.

- Covid 19- Total Student Count: **527**
- Tutoring Total Student Count: **245**
- Counseling- Total Student Count: **167**
- Other needs-Total Student Count: **93**
- Technology Total Student Count: **83**

We will begin making phone calls on Monday to all students and we partnered with ASAG/Tutoring to reach out to students designated needing tutoring support (245). Here is our update as of today (4.24.20). Thank you.
