

## AACC Pathways CEO TED Talks

August 23, 2019

I hope this note finds you well and that the lead up to the new academic year has been positive for all of your institutions. I am reaching out to share the final versions of the TED talk videos that we recorded in Vail this summer. We want to extend our thanks again to all of you for the preparation that you did and the thought capital that you shared during our time together. We are adding new materials to the [pathwaysresources.org](http://pathwaysresources.org) site in the coming weeks and these videos will be included. Please let me know if you have any questions or concerns.

I look forward to our continued collaboration. Do not hesitate to reach out if I can be of any support in the fall semester.

Warmly,  
Gretchen
