Regional Directors
Division of Apprenticeship Standards
California Department of Education
California Labor and Workforce Development Agency

FROM: Sheneui Weber, Vice Chancellor
Workforce and Economic Development Division

CC: Javier Romero, Dean
Workforce and Economic Development Division
CCCCO Staff

RE: Formal Notification of Intent to Award for the California Apprenticeship Initiative – New and Innovative Grant Program, RFA 19-191.

This memorandum is a formal notification of the intent to award the California Apprenticeship Initiative – New and Innovative Grant Program, for the Workforce and Economic Development Division of the California Community Colleges Chancellor's Office.

The California Community Colleges Chancellor's Office, Workforce and Economic Development Division acknowledge the quality of applications and the ability to meet diverse sector needs.

Pending Board of Governors approval as well as the availability of funds, commencement is January 1, 2020. A list of the project applications and their funding status is listed below.

The grant applications were reviewed and competitively scored. Applications were assigned in rank order:

1. Funded (F).
2. Eligible-Not Funded (E-NF) Proposals in this category received the minimum number of points eligible for funding (75 points) but funding was insufficient to fund more than one proposal in that category.
3. Not Eligible (NE). This category includes proposals that did not achieve the minimum number of points on the evaluation.
4. Not Scored (NS). This category designates proposals that were rejected before being read for reasons listed in the RFA.

Applicants have ten business days from the day this letter is posted online, until Monday, October 23, 2019 at 5:00 p.m. to enter a protest. Please refer to Section 3470 of the Contracts and Grants Manual for information on filing a protest.

If a protest is entered during this period, the grants affected will not be awarded until the protest is resolved. The appeal must specify the grounds of appeal and must be based on the process and/or procedures used in the review and recommendation of application for awards.

The Chancellor's Office will contact the district receiving funding to request Face Sheets and any technical changes, including budgets, that are needed to complete the execution of the grant agreement. A copy of the fully executed grant agreement will be mailed to the district.

For audit purposes, funded districts must retain a copy of the grant agreement, the RFA Specifications, and the Workforce and Economic Development Division Request for Applications Instructions, Terms and Conditions for three years. Collectively, these documents constitute the legally binding agreement to perform the specified work.

Please provide this memorandum to the Project Director and Proposal Writer along with a copy of the attachment. If you have questions, please contact Nick Esquivel via email at apprenticeship@cccco.edu
