

Chancellor's Office State Budget Workshop

The College Finance & Facilities Division of the Chancellor's Office will be presenting two workshops on the 2019-20 State Budget. These workshops will cover information on the Student Centered Funding Formula implementation, an overview of the 2019-20 apportionments, and budget requests for 2020-21.

Come and hear from the Chancellor's Office about how the finalized State Budget will affect your planning process and get your questions answered at the annual Chancellor's Office Budget Workshop.
