Mt SAC Early College Academy Enrollment

There are 92 new 9th graders and 68 current 10th graders total at MECA.

Early College High Schools Discussions for 2020-2021 Bassett USD conversations have been put on hold at the moment. They have gone through new staff changes at the district level but have reached out again to continue discussions about a possible Early College Academy for their district. We hope to meet with them again in September 2019.

Assessment Questionnaire Update:

AQ has been effective for high school seniors who have completed 3 years of high school English. Students who are not seniors and complete the AQ will get a default message that says SEE COUNSELOR. Most of our 10th and 11th grade students participated in the final AWE which placed most of them in ENGL 1A or ENGL 1A/80.
