

Fall 2019 Math Student AQ Survey

We need to hear from you!

The purpose of this survey is to learn about your experience with the Assessment Questionnaire (AQ). To help make sure students take the right English, reading, and math courses, the College uses the AQ for course placement. All of your answers are private. Please be honest about your experiences. The results from this survey will be used by the College to better serve students.

Thank you!
