SEVP UPDATE

SEVP REPORT 2018

- 1.55 million active records for F-1 and M-1 nonimmigrant students in SEVIS during calendar year 2018, a 1.7 percent decrease from calendar year 2017.
- Around 85,000 nonimmigrant students were enrolled in K-12 programs of study, and about 92 percent of those students were enrolled in secondary school programs (grades 9-12). China sent more K-12 students than any other country, comprising about half of the K-12 nonimmigrant student population in 2018.
- Asia remained the top continent of origin for nonimmigrant students with 1.17 million student records in SEVIS in 2018, a 1.9 percent decrease.
- China (478,732), India (251,290) and the Republic of Korea (South Korea) (88,867) sent the largest number of nonimmigrant students in both calendar year 2017 and 2018. Of these countries, only the number of students from India increased from 2017 to 2018 (+4,157). The number of students from China (-147) and Republic of Korea (South Korea) (-6,403) decreased over the same period.
- In 2018, California hosted 302,073 nonimmigrant students, the largest percentage of nonimmigrant students (19.5%) of any U.S. state.

TRAVEL BAN

Trump administration's expansion of the travel ban has been expanded to six majority-Muslim countries (Eritrea, Kyrgyzstan, Myanmar, Nigeria, Sudan, and Tanzania) late last month.
