

Invitation to Participate in a Community College Panel Discussion at CSU Long Beach on December 6-7
August 21, 2019

Dear Dr. Scroggins,

On December 6-7, our labor-management research center will be holding another higher education collective bargaining conference at Cal State Long Beach.

I am writing to invite you to join us again by moderating and participating on a panel addressing community college issues, particularly student centered funding formula and preferences for part-time faculty at community colleges. The currently confirmed speakers are Dr. Kindred Murillo from Southwestern College, Community College Association President Kaljumagi, and Professor Leticia Pastrana.

We are hopeful that you will be able to accept our invitation to lead the panel discussion on community college issues as part of our December 6-7 conference in Long Beach.

If you have any questions, please feel free to email me or call me at 518 605-4402.

Bill
