The Honorable Kay Granger
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Short Apprenticeship Program in fiscal year 2022.

The entity to receive funding for this project is Mt. San Antonio College, located at 1100 N Grand Ave, Walnut, CA 91789.

The funding would be used to provide residents in California's 39th district with job skills and immediate employment through short-term training and industry certifications, including online programs. These funds will provide the resources for Mt. San Antonio College to develop training structures, particularly online programs that have not yet been developed. These added structures include pre-apprenticeships and registered apprenticeships with partnerships that are proven to sustain into the future. Most importantly, adults who have been traditionally underemployed or unemployed will have more opportunities for middle-income employment.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Young Kim
Member of Congress
