

## CBE Collaborative Kick-off Event Materials

### Wednesday, June 16, 2021

Thank you for a wonderful opening kick-off event! It was inspiring to hear the discussions around college program plans and we are excited for our joint learning journey ahead. As you head into summer, we wanted to follow up with some reminders, documents, and additional information.

### Reminders & Updates

- Implementation team charters and rosters should be **revised and resubmitted by September 10<sup>th</sup>**. We will be sending feedback and directions for implementation team charter and roster revisions in the near future. In the meantime, [please review a chart of recommended positions and primary competencies to include on your team](#).
- The first Peer Learning Session is August 18<sup>th</sup>. There, we will dig into content related to direct assessment and our Collaborative Syllabus.
- In the next few weeks, we will be sending out invitations to our Vision Resource Center community. **Ensure you have an active account in order to access this community.**
- Upon hearing concerns from some participants about mailing address privacy, we realize that it will be best to mail copies of CBE books to colleges for distribution to team members, rather than to individual addresses. We sincerely apologize for this about-face and thank you for filling in the addresses. Books will be sent to a centralized address in June.
- **Leads, verify your contact list is updated by June 23rd to ensure team members are allocated a book and receive upcoming calendar invites.**
- The [Collaborative Syllabus](#) timeline has been updated to align with the deliverables for Modules 1 & 2. This document is intended to provide a general idea of the work that's to come. As colleges dive into the work, we anticipate changes to the timeline and refinement of artifacts. Any changes to the artifacts will be communicated well in advance of their "due by date."

### Kick-Off Documents

- [Recording of the kick-off event](#)
- [Deck for the event](#) (also attached as PDF)
- [RAND evaluation one-pager](#) (attached as PDF)
- [Calendar of 2020-21 Peer Learning Sessions](#)

### Other Resources

- [Collaborative Syllabus](#)
- Bios for JFF, C-BEN and RAND
- C-BEN's [Quality Framework for Competency-Based Education Programs](#)
- [Free registration](#) the Second Biannual ACE-IT Conference on developing and implementing new Competency-Based Education (CBE) courses and programs and refining existing ones.
