- Q & A

Early Alert

- Met with VPI, Kelly Fowler to provide overview of EAB Navigate and the Early Alert System;
- Implementation goal Spring 2022;
- Hiring of Business Analyst - “Air Traffic Controller”
- Faculty Meetings – taking place this Summer and Fall term(s); and
- Presenting Early Alert at Faculty Flex Day – August 20

One-Click Registration

- Facing head-on the issue with EAB regarding drop codes and CA-based regulations and Banner; and
- Project still projected to go LIVE Winter 2022; and
- Planner will follow Guided Pathways MAPping course sequence as seen in GPS webpage.

Caseload Processing/Management

- Organizational and Planning work ongoing (determining cohort definitions); and
- Grouping and Training will be administered by level of “knowledge.”
- Target date for Training – July 14, 2021

Pilot of Student Communication System

- STEP and Summer Bridge students will fully engage with Navigate App;
- Messaging and Communication will take place this Summer 2021; and
- Promotion of the Navigate App will take place using multiple marketing and informational videos, electronic communication, and mail-outs (Navigate Business Cards w/ QR codes)
