

Parking Structure and Pedestrian Bridge

Monday, July 6, 2020

The email from Dave Gilbertson has been received and is attached for your reference. I have scheduled the grading to start on Wednesday, with some preparation work possible tomorrow. Thanks for getting completed. Please let me know if you have any questions.

The City has received the grading plan check and inspection fees for the Parking Structure project. All of my requirements, with the exception of the finalization of the Bridge Agreement, have been satisfied, therefore you are allowed to re-commence the grading activities for the site.

Please make sure that no grading activities occur in the Public right-of-way until the Bridge Agreement is finalized and the fees have been paid. In addition, that Mt. SAC submits recorded copies of the LID covenants once returned from the LA County Recorder's Office.
