

Thank You for Your General Election Partnership!
Friday, December 4, 2020

Now that the November 3, 2020 Presidential General Election is in the rear view mirror, I wanted to take this opportunity to thank everyone for your collaboration and helping to increase participation of your students, staff and others. Additionally, if your campus hosted a vote center or VBM Drop Box, a huge thank you! The LA County administered election, which saw over 4.3 million ballots cast for almost 76% turnout, was certified on November 30.

Looking ahead to 2021, please keep my contact information handy. One notable date in 2021 is National Voter Registration Day, which falls on September 21 this year. In the past, we have traditionally partnered with colleges and universities to promote voter registration and civic engagement around this nationally recognized day. If this is something you are considering, I look forward to hearing back in the future.

Thank you again. Wishing everyone a safe and healthy holiday season.
