Good Morning,

Congratulations! The IMPACT Program has won the ASCCC Exemplary Program Award for 21-22!

We will need a photo of the program. The waiver form to use the photo is attached. Chisa and Madelyn will be figuring out the specifics of the award and will let you know what's next. Chisa is also announcing this information at the next board meeting.

Again, congratulations and thank you for all you do for the college and your students. We are so proud of you all!
